Information from the Office of Education for Homeschoolers

Our ideas of education take too narrow a view and too low a range. There is need of a broader scope, a higher aim.

ADVENTIST EDUCATION

OFFICE OF EDUCATION FOCUSING ON STUDENTS

Adventist education is happening in homes and schools. The Office of Education in the Michigan Conference wants to offer support to all parents. This newsletter is a step in building a partnership between Adventist homeschoolers and our office. Welcome to the family!

HOMESCHOOLERS CAN ENJOY A LIFT!

LIFT is an acronym that stands for Lifestyle Improvement For Teens. It is a program for students in grades 7 and 8 (approx. ages 13-14). This year, it is scheduled for October 5-8, 2008, at beautiful Camp AuSable. Students attend a variety of breakouts in spiritual, social, and physical areas (such as developing a prayer life, using artistic talents for God, and having a personal exercise program).

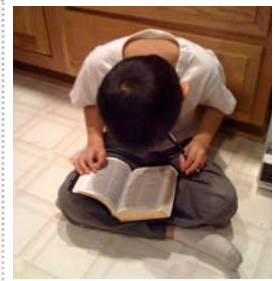

To participate in the program or to get more information, please contact your local Adventist Church School or contact us directly. Space is limited so please see the opposite side for the deadline information.
